

# ASSOCIATION OF SPARTAN SOUTH MIDLANDS FOOTBALL LEAGUE MATCH OFFICIALS 2008-9

## To all Molten Spartan South Midlands League Match Officials:

The Molten Spartan South Midlands Football League recommends that all its referees join the Association that has been set up to look after their interests and concerns.

The Association of Spartan South Midlands League Match Officials (ASSMFLMO) is one of the most respected bodies of its kind in the country. The Association holds three meetings a year with first class speakers and its views are listened to objectively by the League Management Officers who are always in attendance. It also provides League ties and badges, has a first class website and recognises those clubs whose standards of sportsmanship and hospitality make refereeing a more satisfying experience.
